## 1. Welcome and Introductions

The meeting was called to order and VanTassel welcomed the committee.

## 2. Recommendation Development

The group worked to finish recommendation development for the Comprehensive Plan. Input about the following sections included:

*Land Use-* The group discussed future land use possibilities within Eveleth in the Alice Location, Highway 53 Corridor, and residential possibilities in other areas throughout the city.

*Economic Development-* During this discussion the group identified a variety of strategies, including reviewing the Grant Avenue Redevelopment Plan which was a previous effort that identified goals for downtown. Downtown parking needs were also discussed downtown. Other economic development concerns were addressed.

*Transportation-* Transportation topics included pedestrian/biking options, Grant Avenue reconstruction, and parking downtown.

*Intergovernmental Cooperation-* The steering committee discussed the various committees and boards that the City Council and appointed citizens represent Eveleth and opportunities for collaboration.

## 3. Next Steps

VanTassel will begin writing the draft plan and make it available for the group to review prior to the next meeting. The next meeting date was set for March 12<sup>th</sup>.
